

Friday is a Blue Day in St Kevin's!

To show our support for our Dublin Ladies in the All Ireland Football Final we are inviting all our children to wear something blue to school. This can be a Dublin jersey, a blue hair ribbon for your hair or simply wearing a blue jumper to school. This is a fun way to celebrate the wonderful achievement of our Dublin ladies reaching another all Ireland Football Final. We are asking for children to bring in €2.00 and give to their class teacher. This money will go towards purchasing additional equipment for the yard.

We have a number of jumpers & jackets that were found in the yard, please take a look through the basket at the front door.

As all our children have the same jumper it is important to label all your children's jumpers and coats. Equally, to avoid confusion please check the labels on all clothing to ensure your child has the correct coat/jumper home on a frequent basis.

Check out : www.mynametags.ie for labels

On Monday we hope to lead our Junior Infants into the school through a side door. The class teachers will guide their class to the left of the school building and enter through Arlene's fire exit door. This will speed up the process for children entering the school in the morning. The children will continue to go home through the front door as normal.

A huge thank you to all the families who have paid their book/school fees. We continue to support any family through stage payments. If you have any money due please pop into Brenda in the office Mon-Thursday from 8.30am.

Please be advised through this payment your child has 24 accident cover for 665 days.

We have been informed that our school will be used for the presidential election on October 26th. Therefore for Health and Safety reasons the school will be closed.

Wake Up Wednesday is back!

Once again we continue to promote positive mental and physical wellness through many activities including our Wake Up Wednesday initiative. Through our wake up Wednesday all our children go for a walk in the park with their friends. This is a great opportunity to allow children to develop friendships with their peers, talk and share stories while getting a little extra exercise. We hope to introduce our Junior Infant to this experience soon.

During the course of the school year and whilst partaking in school activities photographs are taken of children. These photographs are sometimes used for displays in the classroom or around our school; they may also be used on the school website. If you have an objection to your child's photograph being used for any of these purposes please inform us in writing.

Cameras/videos/smart phones are not permitted to be used on the school grounds or at school events. Only teaching and non-teaching staff of St Kevin's will take photographs with school equipment at school events.
